Greeting on behalf of the organizers / 致 辞

Daido Mima
Chairman, JIAM 2012 Executive Committee
Japan Sewing Machinery Manufacturers Association

With great pleasure, we announce that **JIAM 2012** is being held in Osaka. Moreover, to this textile city, we will be welcoming visitors from Japan and overseas at a comfortable time when the summer heat has eased.

We hope that everyone who attends **JIAM** will also take advantage of their visit to enjoy Japan and the special charms of Osaka and Kansai.

Including the first exhibition held in 1984 there have been nine **JIAM** shows. During this quarter century, visitors and participants have come to see **JIAM** as the place to get hot news about the latest technological innovations and newly developed machines and textiles. Owing to its drawing power and the support of all the participants, **JIAM** has become one of the world's major international apparel machine trade shows.

Celebrating its tenth time around, a new-look **JIAM 2012** invites visitors from all over the world, including Japan and Asian countries, to witness the latest technological developments and innovative offerings from apparel and textile machinery manufacturers and carry this news around the world.

The theme of **JIAM 2012** is CREATIVE LINKAGE - Innovative Technology for a Prosperous and Comfortable Lifestyle. Besides displays of innovative products featuring brand-new technology, the new-look **JIAM** aims to bring about collaboration and integration with related industries by organizing joint exhibits of materials and processed products. A sensational 'stage for the textile and fashion industries,' **JIAM 2012** will be an international trade show 'where visitors can make new discoveries and find key ideas for further business development.'

Designed to help our sector achieve sustainability and prosperity, as well as promoting greater 'safety, security, and comfort' provided by the textile and apparel industries, **JIAM 2012** will also showcase state-of-the-art technology for protecting the global environment.

Along with exhibitions concerned with machinery related to sewing and to the textile and apparel industries, you will find a special corner of the show devoted to getting out news about the very latest developments in Japanese technology. Meanwhile, a program of symposiums, seminars, and other events is being scheduled. And, for the large numbers of overseas visitors, industrial tours and factory visits are being planned.

With a cordial welcome, we look forward to seeing you at **JIAM 2012**. You will find yourself in a forum where you can meet the people you need to know. At this launch pad for ideas and information, you can present, acquire, and spread the news latest about the latest technology and systems developed in Japan and other countries. If you are in the textile and apparel industry, it will provide an ideal opportunity to find keys that unlock the doors to business success.

The organizers are confident that **JIAM 2012** will generate ample business opportunities to all who attend.

美马 大道
社团法人日本缝制机械工业会
JIAM 2012 组委会委员长

正值9月份秋高气爽的时节,**JIAM 2012**将在纤维之都・大阪拉开帷幕,迎接来自日本国内以及世界各地的客人,这是一件令人无比高兴的事情。

希望到会的每一位客人都能够借助参加**JIAM 2012**的机会,来尽情的感受一下大阪以及日本的魅力。

JIAM展自1984年初次举办以来,20多年来之所以能够连续举办了9次,和各参展企业的大力支持是分不开的。各参展企业把**JIAM**展作为发表革新技术以及新开发的机械和器具的一个场地,通过有魅力的展示将其发展成为世界屈指可数的国际服装设备展,对此表示衷心的感谢。

JIAM 2012正值第10届的举办,作为「新生**JIAM**」,以召集亚洲和日本为中心的世界市场作为参加此次展会的对象,汇集世界以及日本最先进的革新技术以及包括纤维等新商品的信息,作为这样一个国际性展会来面向世界发信。

本次展会提倡的举办主题是「创造性的连锁 —革新技术让人类的生活更丰富更舒适—」,在展示包括新型商品的革新机器的同时,通过原材料、资材以及其他加工制品的共同展示,进而达到相关业界间的携手合作与融合。「参加了**JIAM**展,就可以找到促进事业发展的新发现」,将**JIAM**展发展成一个作为「纤维・服装产业发展的一个平台」的有魅力的国际性展会。

此次展会还针对地球环境,尤其是在纤维・服装产业里的环境,将综合顾及「安全・安心・舒适」的最新科技技术作为一个亮点,来达到对纤维和服装行业的持续发展作出贡献的目的。

这次的展会,不仅仅包括和缝制机器相关联商品的展示,还包括了纤维以及服装业等相关产业商品的展示,而且我们还预计策划多种多样的企画活动,比如说设置展示日本先端技术的特别展区、举办各种不同题材的论坛和讲座等。另外,为了招集更多的海外客商的到会,我们还预计策划一个产业旅游团来吸引更多的海外客商。

JIAM 2012作为信息发送的基地,发挥其最大机能,通过以我国为首的先进技术和系统的出展,为大家提供一个扩大商机的绝好机会,希望各位能够充分的利用。

最后,期待着**JIAM 2012**能够成为各位扩大商机的一个场所。
